## **PRINCIPAL NEWS**

Dear Families,

The new term has started off with much excitement and activity! Play West was opened in true Taroom style on the first day of term, with Stella and Mr Poynter riding the zip line whilst Prep students blew bubbles to celebrate the event. The area has already delivered hundreds of hours of entertainment for students and their families. The 'Grand Opening' is featured on page 5 of the latest edition of the Kingborough Chronicle!

As the colder weather starts to set in it is timely to remind families to ensure children have jumpers and/or jackets with them each day. Layers are fine e.g. tights underneath dresses, long sleeves under sports tops, so long as school colours are worn. Please make sure names are clearly visible on all items of clothing and check the lost property basket for anything that has gone missing.

### **Staffing Update**

In Lisa Ker's absence due to an ear condition, Music for the first 6 weeks of this term is being covered by Mr Tony Hasty on Mondays and Miss Alisha Watkins on Tuesday and Thursdays. Both Tony and Alisha have Music teaching qualifications and experience, and have made a wonderful start with the classes. More information will be provided as the term continues.

This week we welcome Ms Angela Spooner, Social Worker, to the Taroom PS

team. Ange has been asked to take on the SW role at Taroona due to Omar increasing his hours at Huonville High School. We are very fortunate to have dedicated SW hours available to the school and I know this service is highly valued by our families. Please contact the office if you would like to access support from any of our Professional Staff.

### **Volunteers Required to Support TPSA Activities**

The TPSA provides an important service to our school community through fundraising activities including Friday Sushi and the Uniform Shop. Volunteers are desperately required, especially for Sushi Fridays. If you, or someone you know (e.g. grandparent, aunt, uncle, community member) can regularly give an hour of your time to assist the regular volunteers please contact the TPSA (see below for full details). Any support would be most appreciated.

### **Upcoming Events (see below for full information)**

## **NAPLAN**

### **National Assessment Program - Literacy and Numeracy (NAPLAN) 2018**

NAPLAN (National Assessment Program – Literacy and Numeracy) commenced in Australian schools in 2008. Each year, all students in Years 3, 5, 7 and 9 participate in common national tests which assess:

- Reading
- Writing
- Language Conventions (spelling, grammar and punctuation)
- Numeracy.

The scheduled dates for the tests in 2018 are **Tuesday 15 May, Wednesday 16 May** and **Thursday 17 May**.

The benefits of participating in NAPLAN testing:

- NAPLAN tests the skills that are essential for every child to progress through school and life such as reading, writing, spelling, grammar and numeracy.
- NAPLAN results provide valuable information on how your child is progressing against national minimum standards of literacy and numeracy skills expected for each year level.
- The NAPLAN tests provide you as parents with an individual report that shows your child's results and a comparison of your child's performance against all other Australian students in their year level.

- Teachers use the NAPLAN results to determine your child's areas of strength and where future focus is required and how best to provide support or extension activities.
- School teachers use the online NAPLAN Toolkit to analyse your child's results. The Toolkit provides detailed information right down to the individual question with links to teaching strategies.
- Principals, senior staff and others use NAPLAN results to inform school planning and to allocate resources and support including informing decisions around targeted programs and initiatives for individuals and groups.

The best way you can assist your child is by helping them to feel comfortable about the nature and purpose of the tests, and assure them that the tests will give them an opportunity to show what they have learned in class.

For more information about the national tests, please visit the national NAPLAN website at: <http://www.nap.edu.au/naplan/naplan.html>

## **Prep Sattler and Prep Dorney/Frost: Playing our part to build a national picture of child health**

This term, our school, along with thousands of others across the country will begin preparations for the fourth Australian Early Development Census (AEDC). The AEDC measures five key areas of development in children during their first year of full-time school to build a national picture of health and wellbeing. Since 2009, the census results have helped communities, schools and governments plan services and target support for children and families.

Teachers are trained to assess each child and answer questions. Children don't need to be present so no class time is missed, and parents/carers don't need to supply schools with any new information for the census. Teachers' individual assessments are then analysed by the AEDC and reported as anonymous groups of children in the final report.

In other communities across the country, census results have helped communities to plan new playgrounds and parental services; schools are seeing improved student performance through new literacy programmes; and governments are using the results as evidence to develop better policies for children.

Teachers have also noticed practical benefits in the classroom. Some said in previous years that completing the assessments made them more aware of the needs of individual children and the class as a whole. Others reported that the census results are useful in planning for transitions to Year 1 and for developing class programs.

Participation in the AEDC is voluntary. Parents/carers don't need to take any action unless they choose not to include their children in the census. To find out more about the census and how communities are using the data to help children and families visit the AEDC website: [www.aedc.gov.au](http://www.aedc.gov.au).

If you have any questions please contact Tony Poynter ([tony.poynter@education.tas.gov.au](mailto:tony.poynter@education.tas.gov.au)) or your Prep child's teacher.

# Autumn

In Prep FD we have been using our senses to observe and investigate the changes that Autumn brings to our environment.

We had a lot of wonderings about Autumn such as...

Why do leaves fall off trees?

What are those funny, bumpy line things on the leaves?

Why do gum trees stay green?

How do the leaves change colours?

How do the leaves go so dry and crunchy?

Why do some leaves turn red, and some turn yellow and orange?

Where do the leaves go when they fall off?

We had fun blind folding

describing words to help

## 5-6 GM

Last Term we went to Molesworth Environment Centre to enjoy a day of

challenging group activities. Our pic collage shows our reflections about the day and how we worked together as a team. We looked at our day at Molesworth through our school values and we all decided that the value we demonstrated the most on the day was Resilience.

### Molesworth Reflection

I would say my team worked great on most challenges because we spoke our mind and kept the communication up.

I think that I did well with stepping up when my team needed me to and I think that I was helpful for most of the day.

I would say that we needed more communication in the "Save Tas" challenge because we couldn't step at the same time even when saying: "1...2...3 Left! 1...2...3 Right!"

I helped my team by lifting them up the "Barrier" and by supporting my teammates in all challenges.

## Molesworth Excursion

A)

1. We worked well as a team even though we didn't complete a single challenge.
  2. We had great communication and had a good mix of smart people and strong people.
  3. We didn't do well at listening to the instructions and wasted a lot of time.
  4. I contributed to the group by helping lift people over the Barricade and in the Prison Break
- I made myself look silly by blindfolding myself and trying to get through the ropes.

B)

1. My favourite challenge was the Barricade because it was quite challenging without it impossible and it involved quick thinking and physical strength. It was really fun.
2. My least favourite activity was The Tyre Swings because it was very hard and our team found it impossible.

By Otto

Us on the Barricade trying to lift Bella over.

Me trying to escape the prison break.

### Molesworth Reflection

My team worked really well because we collaborated by encouraging each other and on **THE WALK OF DEATH** we showed resilience by not giving up. I think the only problem with us was we were a bit slow. I helped my team by thinking creatively with **THE TYRE SWING** and not giving up with **PRISON ESCAPE**.

I really, really enjoyed **BARRICADE** because I love climbing and going over the wall was super fun. My least favourite activity was probably **THE TOXIC WASTE** because we had no idea how to do it and it was a bit frustrating. But in the end it was super fun at Molesworth.

Oliver

### Molesworth Reflection

I think our team worked well. We all included everyone's ideas and worked together as a team. Things we did well were listening to each other and sharing ideas. Something we probably didn't do well was probably planning what we were going to do before we did it. Everyone was resilient because if something didn't work we kept trying. I think I helped the team because I came up with ideas.

My favourite challenge was the Tyre Swings because it was challenging as well as fun. My least favourite was probably Toxic Waste because it wasn't as fun as the others, and there was only one way to do it.

## TPSA NEWS

Dear School Community,

It has been a busy start to the year so just a quick note to let you know what has been happening in the world of the TPSA.

- April 30<sup>th</sup> saw the opening of the new playground. It was appropriate that the outgoing President Martine assisted with the opening ceremony as she was instrumental in making this happen and we are thrilled that the kids are loving it.
- We have applied for and gratefully accepted a Grant of \$9000 from TASSO and \$250 from Aurora to help us in engaging with the school community. We have loads of plans in this space but are kicking it off with some workshops with Plastic wise and a Parent information session in October- so watch that space. These Grants will also purchase 100 Home Readers for P to 2 to the value of \$550
- We have a few fund raisers planned for August and November- details to be provided soon
- Icy poles will be provided by TPSA to the children on cross country day- a special one off treat.
- Last night we had fun investing **your fund raising** money back on our children. We said a resounding yes to all the teachers' submissions. These included:

Arts Rotation Funding (K-6)	\$1, 200
Television for the music room (K-6)	\$3,480
3-6 Guided Reading Sets (8×5 book sets)	\$600
Kinder- outdoor storage box and 3 outdoor tables	\$1,200
<b>Total</b>	<b>\$6, 480</b>

As always we are keen to hear your thoughts and suggestions. Approach one of us, send us an email or better still come to a meeting...

Look forward to the year ahead

Leah and the TPSA Committee

### **Coordinator wanted!**

Would you like to help coordinate the **School's sushi program**: our healthy and very popular mini-canteen program and fund-raiser for our students (over \$6,000 raised in 2017).

You would know that our former Sushi Coordinator, Ally Gunton, stepped down last term and as her Deputy, I have stepped up into the role of Sushi Coordinator. With a busy year planned for the Tarooma Primary School Association (TPSA), I realise I might have too much on my plate as the new Association's Deputy Chair.

The main duty I hope someone will help with is the weekly ordering and the reconciliation of payments each Wednesday (approximately 2 hours). Each Friday, I would continue to collect and distribute orders with the help of a new volunteer roster.

A new Sushi Coordinator would also be able to look forward and contribute to, the potential implementation of a new electronic payment system by the TPSA: a service designed to make the lives of all our TPSA volunteers much easier; and help explore the idea of expanding the Sushi Friday menu!

We are exploring some exciting new ways of working and ideas and would welcome another enthusiastic parent volunteer to the Sushi Team!

Please contact me on 0407 330 552 or [alex.terhell@outlook.com.au](mailto:alex.terhell@outlook.com.au) if you are interested in the role or have other ideas or suggestions that you think could help us.

### **Thank you from the TPSA**

The Tarooma Primary School Association was sorry to receive the news of Bridget Green's decision to resign from her role helping to run the School Uniform Shop at the end of Term 1, 2018.

Bridget has been a willing and dedicated volunteer for 2 years and has worked extremely hard to provide an affordable and accessible service to meet the many needs of students and parents. Just like Sushi Friday, the Shop is an important fund-raiser and a great service for our parents. Sadly however this leaves a gap in our volunteer service and Carolyn, our current volunteer can't do this alone. **We really need your help.**

Please contact Leah Magliano on 0419 314 010 or Carolyn 0419 613 927, [basil\\_carolyn@bigpond.com](mailto:basil_carolyn@bigpond.com) for a detailed description of what would be involved and/or if you would like to volunteer in the Uniform Shop on a regular basis.

**2018 COMMITTEE UPDATE FROM AGM: Please click [here](#) to find out more.** We meet once a month at 7pm in the Staffroom at the School to discuss everything from school staffing, updates on grounds, fundraising and ideas or issues brought to our attention by parents and staff. **2018: Next Meeting to be held on Tuesday 5 June, 2018 at 7pm.** If you are unable to attend meetings but would still like to know what's going on, you can be added to our email list. Please email [tpsaenquiry@gmail.com](mailto:tpsaenquiry@gmail.com) requesting to join the list.

2. secure payment within (please don't go bananas with sticky tape or staples); and

## How to pack a rubbish-free lunch

LIMIT  
'OCCASIONAL'  
FOODS

### Focus on fresh 'everyday' foods

- many types of fruit and vegetables don't need packaging and the scraps can then be added to the compost

### Avoid single serve packaged items

- reduce waste and save money by buying in larger quantities

### Use reusable containers

- don't forget to name them!!

### Get your kids involved

- this can save you time and children enjoy taking responsibility
