27 March 2020

Dear Families,

Earlier today the Premier Peter Gutwein announced that, where possible, from Monday 30th March parents/carers should keep their children home from school if they have the capacity to do so.

Please be assured that our dedicated TPS team is still planning face-to-face programs for next week, and will continue to provide the highest level of care, support and learning possible for all children who come to school up until the end of term (Friday 3 April).

Below is a link to an excellent blog post for parents / carers on learning at home that aligns beautifully with our Tarooma Primary School vision, values and focus on student well-being and engagement. This week, teachers and the Student Parliament have been actively working on directions and actions to support learning from home from the start of Term 2.

We look forward to remaining connected to our families over the coming days and weeks through our regular email updates and Facebook posts.
